Join the English workshop!

You think your English is okay, but you`d like to reach a higher level? Fancy brushing up your skills? You would like to have proof of your English language abilities and receive a certificate that is internationally recognized by many employers, universities and governments and valid for your lifetime?

Then you should definitely become a part of our preparatory course:

CAMBRIDGE FIRST CERTIFICATE IN ENGLISH

Here is what we do:

- Listen to authentic English recordings and work on your listening skills.
- Practise your speaking skills and get ready for the oral exam.
- Improve your reading skills by tackling complex texts.
- Test and improve your command of English by using and practicing your grammar and vocabulary skills.
- Prepare for written exams by completing a variety of writing tasks.

This is an AG free of charge offered to **Year 10 and Kursstufe**, intending to prepare you for the Cambridge exam. You then have the choice to take the FCE exam at the Cambridge examination centre in Reutlingen.

In addition to enabling you to successfully take the FCE exam this course will also help you to prepare for your English A-level exam, where your reading, listening, writing and speaking skills will be tested in a way very similar to the FCE exam.
